The Honorable Lewis A. Kaplan United States District Judge Southern District of New York 500 Pearl St. New York, NY 10007-1312

Re: United States v. Brandenstein, 24 Cr. 121 (LAK)

Dear Judge Kaplan:

The Government respectfully writes to request the exclusion of time in this matter. On September 10, 2024, the Court adjourned a scheduled status conference and adopted a motion schedule for the parties, which set a deadline of October 15, 2024 for defense motions, November 1, 2024 for the Government's response, and November 11, 2024 for the defense reply. The defense has not filed any motions to date. However, the defense has informed the Government that it intends to submit a mitigation submission to the Government tomorrow.

The Government therefore requests, with the consent of the defendant, by and through defense counsel, that the Court exclude time through November 11, 2024 under the Speedy Trial Act, 18 U.S.C. § 3161(h)(7)(A), to permit the defense to transmit its mitigation submission to the Government, for the Government to review the mitigation submission provided by the defense, and for the parties to confer regarding potential pre-trial dispositions.

Granted.
